

## **PET REGISTRATION**

Registering your pet is simple and smart! If for some unfortunate reason your pet were to get loose, having them registered with the City of Atlantis would enable us to contact and notify you. We have had numerous positive responses because of our Pet Registration program. Pets were returned almost immediately to their owners as opposed to sending them to the County "pound. "

Print this form and bring it to the police department, or mail it along with a check for \$20.00 for the first pet and \$10.00 for each additional pet. You can also email your pet's picture to us at [Police@AltantisFL.gov](mailto:Police@AltantisFL.gov) If you do not have a digital camera to email the picture simply bring your pet in and we will be happy to take a photo for you.
